

# KHS Band Booster Meeting Agenda

October 05, 2016

Meeting brought to order by President Mike Detwiler at 7:15pm

## Welcome

Review of September minutes motion to accept by BettyLou, second by James Hayner. Vote passed.  
Correspondence: none.

## President's Report

- Great weekend! Best band opening week ever!
- Hotel had good and bad points, but they staff was responsive to our requests.
- Busses were fine.
- Syracuse update: we are the last band to perform in LS3. Performance at (4:23), retreat at (4:50). Kids will get food on the way home. As for parking... they are putting a new roof on the carrier dome stadium. There will be a table and they will get the busses when it is time. As for parking, the garage and regular parking is the same. There is a fee for parking (maybe \$10). Price of tickets are \$18.

## Committee Reports

- **Alertify:** Jackie Lawson/Michele Milgrim – Anyone who is not getting Alertify messages should contact one of us. If emailing Michele, please remember to tell the student's name. There are almost never phone call alertify messages. Only email.
- **Uniforms:** Stacie Kremper – made it through the weekend nicely. Repairs are being made and individual adjustments are being made.
- **Color Guard:** Michele Milgrim – they looked great. Uniforms had to be washed or treated because they kneel on the field.
- **Ways and Means:** Robyn Murray – Yankee Candle (thanks Jackie DeCico) wrapped up and went well. Hannaford book sale wrapped up. New event will be a raffle (Trish Miller) – 100% of the ticket sale goes into student accounts. 2 Tickets selling for \$5, 5 for \$10 and 12 for \$20. Drawing is during the Pops concert. Soup sales underway (Karen McKnutt). Food drive going well. Collecting food on Saturday Morning at Deitz. Still need volunteers at FanFare. Craft night at Murray Madhouse October 13 (next Thursday) to make boutonnieres for the seniors at the football game. Holiday wreath sale coming up in the next few weeks.
- **Merchandising:** Nancy Nissen/Audrey Kenyon – shorts were ordered now. Tour shirts should be in any day.
- **Equipment:** Matt Van Aken – Great weekend! Looking to get some supports and bars for another shelf in the truck. Flag holders are done.
- **Yearbook:** Denise Breithaupt – Lots of pictures are coming. Hope you don't mind they are getting stolen off FaceBook.
- **Chaperones:** Denise Breithaupt – We had a great weekend for chaperones, we had a lot of new people. You are appreciated! We need 3 more people for the Friday football game, people for the next football game and 3 more for Vestal. Couple of reminders from Mr. G... if messes are caused, the students should be cleaning them up. Chaperones shouldn't be cleaning up after the students, please let the band directors know if the issue comes up again. Chaperones shouldn't be the bad person or disciplinarian. If there are issues, that's where the staff, and specifically the band directors, must deal with it. Enlist leadership in behavior modification. That is part of what is expected from them and they are trained for this.

- **Website:** Dave Sahloff – There are a lot of requests for the itinerary on Facebook. These are posted on the website. New directions app on the page. There is also a LS2 scores page on the site so you can see our standing during the season.
- **Publicity:** Tara Rogerson – Nice picture in the Freeman!!! Thanks! If anyone sees it in another publication, please let Tara know.
- **Fall Fanfare:** Stacie Kremper/Robyn Murray – it's coming. There are posters on the Piano, if you could drop any of them off at stores around that would be great. Most of our volunteer slots are filled, but we still need help in some areas (50/50, hospitality, judges' suite, runners). We have the reduced cost tickets for our show. They are \$6 each in advance, \$8 at the gate. Mr. G has presale tickets for Vestal too. If you have signed up, you will get an event tag. We are also looking for Grandstaff hospitality for the stands. Homestretch meeting is October 19 in the band room at 7pm. This is our show, our time to shine. Not all the jobs allow volunteers to see Kingston, but it really does make a difference and there will be a video.
- **Treasurer's Report:** Jackie DeCicco/Valerie Percy – Transportation should not be on there as well as Cramdon Coach, so the \$10,500 should come off the total on the back. Motion to accept the treasurer report made by Linda L, seconded by Herb Lamb. Motion passed.

## OLD BUSINESS

- none

## NEW BUSINESS

- Motion to approve \$286 for a new shelf in the truck. Motion made by Denyse Breithaupt, seconded by Robyn Murray. Motion passed.
- Candy lady is a little under the weather, so thanks for your patience. There is a new representative at Gertrude Hawk. There are a few bumps, but things should be fixed up soon. Thank you for your understanding.

- We had a tremendous thing happen for Zach Burns yesterday. He was selected US Army All American. It was very impressive. He dedicated his speech to Kerry Stoutenberg.
- We are putting something in the program to make a dedication in the Fall FanFare book for both Kerry & Cara. Family members will also be there.
- Lesson cycle 3. Five week reports go home next week.
- This past weekend, we had record setting step off. 80.4 and the next day 81.65. Great job for the kids.
- Pops concert might be changing because Swim team has states then.
- Championship week will be at Crosby 3:30 – dark. We are hoping to have a trailer there for our equipment. Maybe we can take the sports bus. It would be best for the kids to get their own ride there so the time might be 4-6.
- Citrus sale was in danger, but a new company has been found. There will be an online sale too. Sale starts right after championships.
- We have dome shirts with the logo and all the bands on it. The order forms are here. Orders are due October 10 to Mr. G. Make checks out to KHS Tiger Band.

## Adjourn

- Motion to adjourn by Betty Lou, second by James Hayner. Motion passed.
