Committee Reports

- **Alertify:** Michele Milgrim – All the Alertify forms I have are currently in the system. I am still missing 32 student's forms. If you are not getting Alertify emails or phone calls, please contact me at milgrim1@gmail.com.
- **Uniforms:** Stacie Kremper – we will start going through the uniforms for repair before the Florida trip. We are thinking about cleaning them. To clean a whole uniform is about \$14 each. The district pays for this during the summer. We will go through them and see how many we must clean. This number will be ready next week.
- **Color Guard:** Michele Milgrim – on hiatus until January.
- **Ways and Means:** Robyn Murray – 1. The craft show is Saturday at Chambers school. It is a new event for us. We have over 40 vendors and food trucks available. Admission is free, but we will take donations at the door. 2. Can shake is on Saturday, all proceeds go to coach busses next year. We still need chaperones. Please help. 3. Citrus is going well. It is due at the pops concert. 4. Raffle must be in the band mailbox before Monday, no exceptions. 5. Coffee \$660 into student accounts, 6. Cinnabun did well. 7. Soup will be \$1,225 in student accounts. 8. Food drive still going on. Last big push will be at the pops concert.
- **Merchandising:** Nancy Nissen/Audrey Kenyon – we are getting an order together.
- **Equipment:** Matt Van Aken – thank you to all the work you did this year. Everyone loading, unloading and fixing all the equipment and instruments was incredible.
- **Yearbook:** Denise Breithaupt – we sold 59 yearbooks. If you don't know if you purchased one, we will leave the list with Mr. G. Cutoff is in January.
- **Chaperones:** Denise Breithaupt – Thank you to all the Chaperones. It was a great year.
- **Website:** Dave Sahloff – Still looking for someone to take it over.
- **Publicity:** Tara Rogerson – We have been in the paper and on TV. We are in the Lincoln Eagle. It is a free paper, you can pick it up at any Diner, Hannaford, etc. Next year is Tara's last year. We really do need someone to take over publicity.
- **Fall Fanfare:** Stacie Kremper/Mike Detwiler – It was extremely successful. Net income after the show \$15,801.16 before a transfer of \$481 to yearbook for ads. Everyone was raving about the day. We couldn't have done it without everyone who showed up to help. Thank you, thank you, thank you.
- **Band Banquet:** Denise Breithaupt – no report.
- **Treasurer's Report:** Valerie Percy/Anne Lamb – If you ever have questions, please email Val and she will get back to you. Motion to accept the treasurer's report made by James, seconded by BettyLou. Motion passed.

Old Business

- Tax exempt is coming. The bylaws are being reviewed and should be available in December before the next meeting. A committee has been working on them since June. Mostly since we are now moving to non-profit status. We would like to have them in effect starting in January and have them in effect for just one year and re-evaluate next year.

New Business

- Nominations coming up for the spring. We should start thinking about it now. We need new people to step up into these roles. Now is the time to start thinking about it. We vote in April. Everybody has something to bring to the table.
- Middle school outreach committee might be something to look at as well.

G and G's Corner

Band Dates:

- o 11/16 – Pops Concert
- o January – Winter Concert
- o 1/25-30 – Disney

- Band directors really want to thank everyone for all their hard work. Every single person that did any tiny or big thing. It was a crazy year, and everyone put in.
- Deitz stadium was a little hiccup this year. Everything is under control. We are making changes through all the important parties.
- We might use Amsterdam for other trips next year. It is a great field and a lot of fun.
- Next is our Pops concert on the 16th of November. A lot is going on, but it is a great concert. If you can help out with the food drive that would be awesome. They need concert attire and section shirts that night.
- Winter concert is in January.
- Florida trip is being worked on. We know a lot of people are anxious about the final payment, but we have some work still to do and some doublechecks on costs. Please be patient with that. There is a mandatory parent/student meeting before the trip to cover what is going on and the rules. That will be coming up in December and maybe early January.
- Grades are due tomorrow 6 lessons, 6 sectionals and a scale test.
- Construction update – we have moved to Crosby for the last 2 years for band camp because of construction. They are starting to work in the music department. We might need help with a quick move, but we will ask if we need help.
- Whoever does bottles, please come get them.
