Committee Reports

- **Alertify:** Michele Milgram – hasn't spoken to the Alertify people again. Making a switch over to cut time and extended our free trial. We purchased a 1 year plan for \$99. People will need to go online to set up their carrier. Next year people will sign up themselves. We will be saving money going with this new company. They do not do robo calls, only texting, but have the capability of creating groups.
- **Uniforms:** Stacie Kremper -They will be starting the clean up soon.
- **Color Guard:** Jackie DeCicco -not meeting right now until Jan
- **Ways and Means:** Kathleen Detwiler –\$383.50 in Cinnabon orders into student accounts \$1883 going into student accounts from citrus, play concessions made \$316
- **Merchandising:** Christine Morrison-craft order delivered on Monday, score shirts order form will be in the band room
- **Chaperones:** Michele Milgrim – The next events we will need chaperones are Saint Patrick's Day, Memorial Day, 4th of July. Submitted about \$100 in receipts for bus bag band items.
- **Website:** Dave Sahloff – updating website as needed
- **Publicity:** Tara Rogerson – pretty quiet, end of the season
- **Fall Fanfare:** Stacie Kremper/Mike Detwiler –in January we will know what the date will be

New Business

G and G's Corner-

5 week reports are in, students must have 2 lessons should be mailed out the 18th. Can make up lessons at many different times. Brass Choir will be playing at Barnes and Noble from 7-8 on December 18th. Students will be asked to play from 5-7.

Mr. Rhinehardt was at Syracuse and spoke to the faculty about how well it was run. Construction in the band area will start this summer. We are not sure what that means in regard to uniforms and equipment.

The musical for this year is Mama Mia. Students should be on the lookout if they would like to be in pit. January 17th is the winter concert. Disney is not on the radar for next year.

Seeing an increase in retention numbers with music students as a district as a whole.

Dietz, the last commission meeting, there has been a chain in command. The stadium will be transferred to parks and rec and will be doing renovations. They will do something with the stadium seating. The athletic directors' office (Mr. Silverstein) will be taking over the scheduling for the stadium. All school district events will get priority over all other events. No construction in the summer, most likely it will begin the fall of 2019. Many upgrades and changes coming to the stadium, positive and going in the right direction.

The high school will be getting turfed this summer, but is not big enough for the band.
