G and G's Corner

Special thanks for their help this season, everything went very well, very successful season as we continue to move onward and upward. Next concert pops concert on the 29th at 7pm. Mr. garner wishes everyone a Happy Thanksgiving.

A question was brought up about how we scored at Syracuse. The bottom line was we will not be changing how we run our band. Everyone will continue to be included, that is what makes our band so great.

Props are to be discussed in the future. Is it worth the price etc?
